

Dear Registrar,

In the next few hours, you will receive an invitation to vote from a secure online voting platform. The email will be sent from noreply@eballot.com.

ICANN organization (org) is requesting your vote on the approval of the [proposed global amendment \(Global Amendment\) to the 2013 Registrar Accreditation Agreement \(RAA\)](#) to enhance the existing provisions in Section 3.18 of the RAA by requiring registrars to promptly take reasonable and appropriate action to stop or otherwise disrupt DNS Abuse. For additional information and reference materials, please see a [redline of the RAA](#) showing the proposed changes and the [2024 Global Amendment webpage](#).

We kindly seek your vote prior to **23:59 UTC on 8 December 2023**.

Voting options:

1. **"Yes"** – voting "yes" means that you **approve** the proposed Global Amendment.
2. **"No"** – voting "no" means that you **do not approve** the proposed Global Amendment.

Please note that not voting or abstaining is the same as voting "No".

Registrars representing over 90% of total registered domains under management must vote "Yes" to achieve Registrar Approval for this proposed Global Amendment, so every vote matters.

Voting closes at **23:59 UTC on 8 December 2023**.

ICANN org appreciates your participation in the voting process.

Sincerely,

Russ Weinstein
Vice President, GDD Accounts and Services
Internet Corporation for Assigned Names and Numbers (ICANN)
