Section I: General Overview and Next Steps			
<p>To obtain community input on several proposed changes to the Generic Names Supporting Organization (GNSO) Operating Procedures with respect to certain GNSO Council meeting processes (viz. the Council’s ability to waive the deadline for submissions of motions for voting, and to vote outside a Council meeting), and to the GNSO Working Group Guidelines with respect to Working Group consensus levels. As there were no comments in the forum the SCI will send the proposed changes to the GNSO Council for consideration.</p>			
Section II: Contributors			
<p><i>At the time this report was prepared no community submissions had been posted to the Forum.</i></p>			
Section III: Summary of Comments			
<p><i>General Disclaimer: This section is intended to broadly and comprehensively summarize the comments submitted to this Forum, but not to address every specific position stated by each contributor. Staff recommends that readers interested in specific aspects of any of the summarized comments, or the full context of others, refer directly to the specific contributions at the link referenced above (View Comments Submitted).</i></p>			
<p>At the time this report was prepared no community submissions had been posted to the Forum.</p>			
Section IV: Analysis of Comments			

General Disclaimer: This section is intended to provide an analysis and evaluation of the comments received along with explanations regarding the basis for any recommendations provided within the analysis.

At the time this report was prepared no community submissions had been posted to the Forum.
