* It should be noted that Mr Lee's application was received several days late. The Panel reviewed this and decided to admit Mr Lee's application on the basis that there was no other application from the ASO, so the delay had prejudiced no other ASO applicants. This was the first review and some uncertainty might be expected to surround the application process, including an existing extension to the application deadline. No inconvenience had been caused to the selection panel or the selection process by its lateness. The team accordingly selected consists of: Louis Lee, Cheryl Langdon Orr, Peter Dengate Thrush, Becky Burr, Manal Ismail, Larry Strickling, Zhang Xinsheng, Fabio Colasanti, Brian Cute, Warren Adelman, Olivier Muron, Willie Currie, with a further nominee to be proposed by the CCNSO.
