1. Current vocation, employer and position:

I am a self-employed, independent international development consultant based in The Gambia. My clients include NGOs, and government agencies in The Gambia and other African countries. I am also a co-founder of Ummah Digital, Ltd., a Gambian company that has applied for the .ummah gTLD.

2. Type of work performed in 1 above and declaration of relationships with entities holding a Financial (or declarable) Interest in ICANN:

None of the work I do as a consultant has gotten me involved with an entity that has a financial or declarable interest in ICANN.

3. Identify any financial ownership or senior management/leadership interest in registries, registrars or other firms that are interested parties in ICANN policy or any entity with which ICANN has a transaction, contract, or other arrangement:

The only entity that I am involved with that might have a financial interest in ICANN's policies (but not in ICANN itself) is Ummah Digital, if and when its .ummah application is successful.

4. Are you, or a company you work for:

- **Currently an applicant for a new gTLD?**
- **Providing advice to any current or future new gTLD applicants?**
- **Otherwise involved in an application submitted for the New gTLD Program, such as providing service in support of an applicant or having a financial interest in an applicant?**

If your answer is yes to any of the above, please identify the interest you have in the application submitted for the New gTLD Program.

I am a shareholder in, and CEO of Ummah Digital.

5. Identify any type of commercial interest in ICANN policy development outcomes. Do you represent other parties in any PDP or other ICANN related processes?

Ummah Digital has applied for the .ummah gTLD, and for Applicant Support from ICANN.

AFRICA

7. Stakeholder Group(s) AC's or SO's in which I volunteer or currently participate within ICANN:

Except as described above, I have no (i) ownership or investment interest in any entity with which ICANN has an existing or proposed transaction, contract, dispute, or other arrangement; (ii) a compensation arrangement with any entity or individual with which ICANN has a transaction, contract, dispute, or other arrangement; and (iii) a potential ownership or investment interest in, or compensation arrangement with, any entity or individual with which ICANN is negotiating a transaction, contract, dispute, or other arrangement.
