CONFERENCE CALL – MONDAY, 25 OCTOBER – 11:00 UTC**

Peter Dengate Thrush:Hello all

Erick Iriarte:hello to everybody from Lima (finally!!!)

Peter Dengate Thrush:Hi Erick.... why "finally"?

Louie Lee:Hi!

Louie Lee:Did it take you long to get to Lima?

Alice Jansen:FYI - Olof Nordling is also participating

Erick Iriarte:well i just arrived to lima a few hours ago

Erick Iriarte:(from boston to monterrey to geneve to lima!!)

Louie Lee:Well, if you're including Boston, then that trip certainly took a long time.

CLO:I'm now muted by the operator as my line seemed to be introducing some crackle on the line (so missed some talk while they talked to tell me that *sigh*) so as I can NOT unmute I'll have to type instead... BTW I still hear some crackle so it may not be just my line...

Alice Jansen:I have unmuted you Cheryl

Alice Jansen:I told the operator that your presence was essential

Alice Jansen:should work now -

Peter Dengate Thrush:crackle has much diminished thanks!

CLO:and I'm silenced ;-)

CLO:or Not silenced as Alice says I am unmuted * hard to keep up

CLO:I must be muted again... when we left Boston the text did refer to 2.8 & 9 as being reviewed

CLO:and that we had concerns over how 2.9 might be implemented

Alice Jansen:apparently not (meeting view)

Alice Jansen:we have a muting/unmuting game going on with the operator :-)

Alice Jansen:Next calls:

Alice Jansen:Mond 8 Nov 17.00

Alice Jansen:Mond 20 Dec 23.00

CLO:Thanks all

Alice Jansen:Thanks for your participation
