Dear Mr Dayan,

Thank you very much for your letter dated 30 March.

I am pleased to learn that negotiations will reach conclusion on the .post application by the end of June 2007 and should any issues be raised in the negotiations that UPU will endeavour to conclude the discussions in a timely fashion.

I acknowledge the progress the UPU are making on the details of the .post topic within its member states, and constituencies, in exploring the technical aspects as well as the legal and regulatory issues that must be respected.

I would also like to take this opportunity to thank you for the invitation to speak in a high-level conference focusing on the international developments in eCommerce and the postal sector in Bern on 8th June. Unfortunately I have a previous commitment and need to be in another part of the world. I have notified Daniel Le Goff of my inability to speak and my colleague, Theresa Swinehart, Vice President Global Partnerships, will participate on my behalf.

I would like to take this opportunity to wish you success in the upcoming Conference taking place in Bern on the 8th June.

I look forward to meeting with you at another mutually acceptable time, and to continue the progress on the .post TLD application.

Kind regards,

Paul Twomey
President & CEO
