General Update

ICANN's 47th International Meeting in Durban, South Africa 14-18 July 2013

The Contractual Compliance team provided the community with a program update that was all inclusive of current and new activities. Read more at: <https://www.icann.org/en/resources/compliance/outreach> .

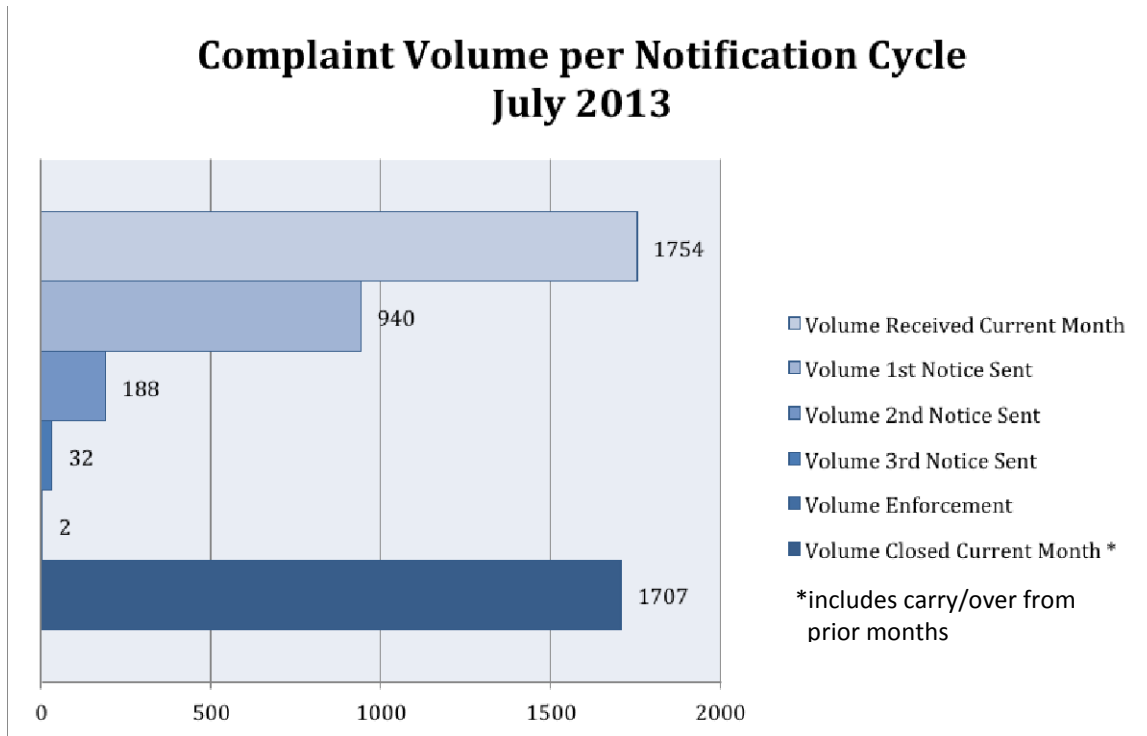

Reminder - Expired Registration Recovery Policy effective 31 August 2013

ICANN will assess registrar and registry compliance with the requirements of the Expired Registration Recovery Policy (ERRP) (<http://www.icann.org/en/resources/registrars/consensus-policies/errp>) beginning 31 August 2013.

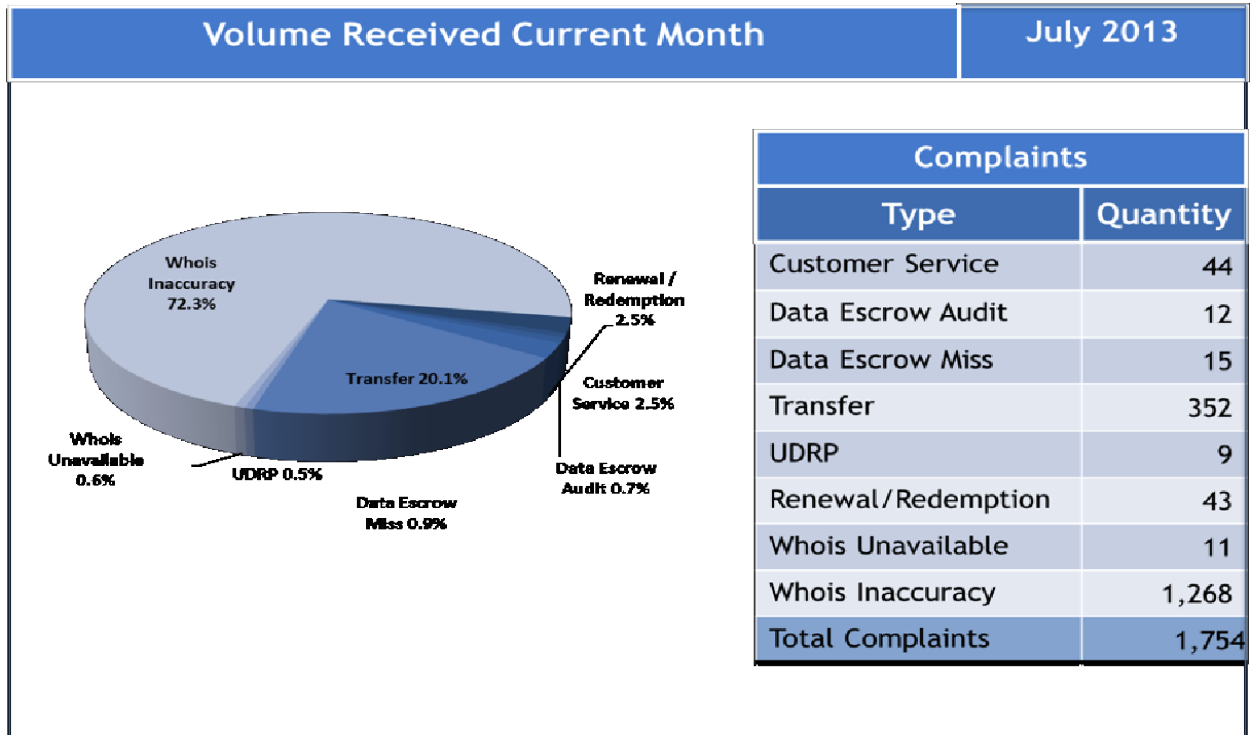

The purpose of the ERRP is to align registrant expectations with registrar practices. It includes, among other things, new registrar communication requirements, uniform renewal and redemption availability in certain circumstances, and required interruption of domain name resolution paths when domain names are near expiration.
