Work Items

RSSAC047v2 Work Party Update

Duane Wessels shared that the work party was working on correcting any technical mistakes on the metrics document (RSSAC047). Duane added that the work party started with creating a “to do” list and some of the items on this list were found to be out of the work party’s scope. Duane recommended RSSAC to address these parking lot items within a separate work party that would be set up after seeing more actual data from the initial implementation of RSSAC047.
Reports

Chair/Vice Chair
Fred Baker reported that together with Lars-Johan Liman and Ken Renard they gave a tutorial on the DNS Root during the IGF 2021 hybrid meeting.
