

Sao Paulo, 9<sup>th</sup> November 2015

Dear Sir,

Hope everything is fine.

As a partner of the pioneer digital Law firm OPICE BLUM BRUNO ABRUSIO VAINZOF in Brazil I am interested to be part of ICANN (Internet Corporation for Assigned Names and Numbers) team as a volunteer member in order to help to guarantee the possibility of a global internet all over the world.

Regarding my expertise, I think I would be able to contribute to ICANN goals as our expertise is always highlighted as the major legal opinion in the area.

We actively participated to the Brazilian Civil Rights Framework for the Internet: (in Portuguese: Marco Civil da Internet, officially Law No 12.965) which is the law that governs the use of the Internet in Brazil, through forecasting principles, guarantees, rights and duties to those who use the network as well as the determination of guidelines for state action.

Having said that we think that we will be able to collaborate by advising and informing about the Brazilian and Latin America digital policies. I would appreciate the opportunity to discuss the details of our practice and to provide further information on my candidacy.

Thank you for your time and consideration. I look forward to speaking with you about this opportunity

Sincerely,
