In addition, if Registry Operator fails to maintain the trademark registration underlying its .Brand TLD application, it shall promptly notify ICANN of such failure. Registry Operator also agrees to maintain the criteria required to qualify as a .Brand TLD and to immediately notify ICANN of any changes in circumstances that could alter the statements made, and supporting materials provide with, this application.

[If applicable, insert the following: Because this application is submitted to ICANN after the delegation of the TLD to nameservers designated by the Registry Operator into the root-zone, Registry Operator represents to ICANN that all domain names that are registered in the TLD are registered to and maintained in compliance with the requirements of the .Brand TLD definition.*]*

Registry Operator acknowledges and agrees that this letter is binding on Registry Operator and, if any of the foregoing representations and agreements becomes untrue or not complied with, it shall be deemed a breach of the Registry Agreement by Registry Operator, and ICANN may assert its rights under the Registry Agreement, including by determining that the TLD no longer qualifies as a .Brand TLD pursuant to the terms of Specification 13. 3. Cancellations.

We will cancel Registered Names upon our receipt of a decision of an ERDRP Provider requiring such action in any administrative proceeding to which you were a party and which was conducted under this Policy or a later version of this Policy. We may also cancel a Registered Name registration in accordance with the terms of your Registration Agreement or other legal requirements.

4. Mandatory Administrative Proceeding.

This paragraph sets forth the types of disputes for which you are required to submit to a mandatory administrative proceeding under this Policy. These proceedings will be conducted before an ERDRP Provider that has been approved by the Internet Corporation for Assigned Names and Numbers ("ICANN"). A list of ERDRP Providers is available at <http://www.icann.org/udrp/ERDRP-providers.html>.

a. Applicable Disputes.

You are required to submit to a mandatory administrative proceeding in the event that a third party

(a "Complainant") asserts to the applicable ERDRP Provider, in compliance with the ERDRP Rules that your Registered Name does not meet the Eligibility Requirements; in the administrative proceeding, the Complainant must prove this element.

b. Registered Name Disputes.

Evidence of Registration in Violation of the Eligibility Requirements. For the purposes of paragraph 4, if the Panel of the ERDRP Provider finds that your Registered Name does not meet the Eligibility Requirements, then such finding shall be evidence that your Registered Name violated the Eligibility Requirements. If the Panel finds that your Registered Name violated the Eligibility Requirements, the Panel shall exercise the remedy set forth in the paragraph 5.

c. Registered Name Disputes.

5. Procedure.

a. Selection of ERDRP Provider. The Complainant shall select the ERDRP Provider from those on the list of ERDRP Providers by submitting the complaint to that ERDRP Provider. The selected ERDRP Provider will administer the proceeding.

b. Initiation of Proceeding and Process and Appointment of the Panel. The ERDRP Rules state the process for initiating and conducting a proceeding and for appointing the panel that will decide the dispute (the "Panel").

c. Fees. All fees charged by an ERDRP Provider in connection with any dispute before a Panel shall be paid in accordance with the ERDRP Rules.

d. Our Involvement in Administrative Proceedings. We do not, and will not, participate in the administration or conduct of any proceeding before a Panel. In addition, we will not be liable as a result of any decisions rendered by the Panel.

e. Remedy. The remedy available to a Complainant pursuant to any proceeding before a Panel shall be limited to the cancellation of your Registered Name.

f. Notification and Publication. The ERDRP Provider shall notify us and ICANN of any decision made by a Panel with respect to a Registered Name. All decisions under this Policy will be published in full over the Internet, except when a Panel determines in an exceptional case to redact portions of its decision.

6. All Other Disputes and Litigation.

All other disputes between you and any party other than us regarding your Registered Name that are not brought pursuant to the mandatory administrative proceeding provisions of Paragraph 4 shall be resolved between you and such other party through any court, arbitration or other proceeding that may be available.

7. Our Involvement in Disputes.

We will not participate in any way in any dispute between you and any party other than us or the operator of the .大众汽车 gTLD (Registry) regarding the registration and use of your Registered

Name. You shall not name us as a party or otherwise include us in any such proceeding. In the event that we are named as a party in any such proceeding, we reserve the right to raise any and all defenses deemed appropriate, and to take any other action necessary to defend ourselves.

8. Maintaining the Status Quo.

We will not cancel, transfer, activate, deactivate, or otherwise change the status of any Registered Name under this Policy except as provided in Paragraph 3 above.

9. Changing Registrars during a Dispute.

You may not transfer your Registered Name to another Registrar during a pending administrative proceeding brought pursuant to Paragraph 4 or for a period of fifteen (15) business days (as observed in the location of our principal place of business) after such proceeding is concluded.

10. Policy Modifications.

We reserve the right to modify this Policy at any time with the permission of ICANN. We will post our revised Policy at <http://nic.大众汽车> at least thirty (30) calendar days before it becomes effective.

Unless this Policy has already been invoked by the submission of a complaint to an ERDRP Provider, in which event the version of the Policy in effect at the time it was invoked will apply to you until the dispute is over, all such changes will be binding upon you with respect to any Registered Name dispute, whether the dispute arose before, on or after the effective date of our change. In the event that you object to a change in this Policy, your sole remedy is to cancel your Registered Name, provided that you will not be entitled to a refund of any fees you paid to us. The revised Policy will apply to you until you cancel your Registered Name.
