RE: Application for .Brand TLD Designation

Industria de Diseño Textil, S.A. ("Registry Operator"), in connection with the execution of the Registry Agreement for the .zara TLD (the "Registry Agreement"), hereby applies for the .zara TLD to be qualified by ICANN as a .Brand TLD.

Registry Operator confirms and represents to ICANN that the TLD meets each of the criteria for the TLD to be qualified as a .Brand TLD, as described in the .Brand TLD Application Process and Specification 13 attached thereto, and that all supplemental material accompanying this application is accurate and not misleading in any respect.

Specifically:

- The applied-for TLD, .zara, is identical to the textual elements of the ZARA trademark registered with the Office for Harmonization in the Internal Market (OHIM), with registration number 000112755 ("Zara Mark");
- The Zara Mark is recorded with, and has been issued a signed mark data (SMD) file by, the Trademark Clearinghouse;
- The Zara Mark is owned and used by the Registry Operator, in the ordinary course of its business, and was issued to Registry Operator prior to the filing of the .zara application with ICANN;
- The Zara Mark has been used throughout the term of its registration continuously in connection with the goods and services identified in the trademark registration. Registry Operator intends to maintain the use of the Zara Mark throughout the term of the Registry Agreement;
- The Zara Mark does not begin with a period or a dot;
- The Zara Mark is used by the Registry Operator in the conduct of business unrelated to the provision of TLD Registry Services;
- As referenced in the attached Registry Policies, only Registry Operator, its Affiliates or Trademark Licensees are permitted to be registrants of domain names in the .zara TLD, and control the DNS records associated with such domain names;
- The .zara TLD is not a Generic String TLD, as defined in Specification 11 of the Registry Agreement;
- An accurate and complete copy of the registration certificate for the Zara Mark is attached as Exhibit A.

Registry Operator also represents that the trademark registration attached hereto as Exhibit A, the registration policies attached hereto as Exhibit B, and the SMD file ID number attached hereto as Exhibit C are complete and accurate copies of the official trademark registration, Registry Operator's registration policies for the TLD, and the SMD file ID for the TLD for which this application is submitted respectively.

Registry Operator agrees that if Registry Operator makes any changes to its registration policies for the TLD (whether before or after this application has been approved) that may disqualify the TLD as a .Brand TLD, it will promptly provide ICANN with a complete and accurate copy of the revised registration policies. In addition, if Registry Operator fails to maintain the trademark registration underlying its .Brand TLD application, it shall promptly notify ICANN of such failure. Registry Operator also agrees to maintain the criteria required to qualify as a .Brand TLD and to immediately notify ICANN of any changes in circumstances that could alter the statements made, and supporting materials provide with, this application.

Registry Operator acknowledges and agrees that this letter is binding on Registry Operator and, if any of the foregoing representations and agreements becomes untrue or not complied with, it shall be deemed a breach of the Registry Agreement by Registry Operator, and ICANN may assert its rights under the Registry Agreement, including by determining that the TLD no longer qualifies as a .Brand TLD pursuant to the terms of Specification 13. .ZARA TLD Domain Name Registration Policy

This .ZARA TLD Domain Name Registration Policy (.ZARA TLD Registration Policy) sets out the eligibility criteria for domain names in the .ZARA Top Level Domain.

The .ZARA TLD Registration Policy may be updated periodically, without prior notice. The current version can be found at [TBC], and continued registration or use of a .ZARA domain name after any update constitutes acceptance of the current version. The only remedy in case of any disagreement with the current terms of the .ZARA TLD Registration Policy is to cancel your domain name registration.

The terms of the .ZARA TLD Registration Policy as described below constitute the entire agreement concerning the eligibility criteria for registration of a .ZARA domain name. It is to be read in conjunction with the .ZARA TLD T&Cs; no other agreements or representations supplement or alter the terms of the .ZARA TLD Registration Policy, except as expressly incorporated herein.

Any undefined capitalised term in the .ZARA TLD Registration Policy shall have the meaning set out in the ICANN Registry Agreement applicable to the .ZARA Top Level Domain, available at [TBC]

General/Definitions

Inditex (or “we” or “us”) means Industria de Diseño Textil, S.A. (INDITEX, S.A.).

Registrar means an ICANN-accredited registrar authorized to provide domain name registration services in the .ZARA TLD.

Reserved Names mean domain names which are unavailable for third-party registration at the time of their appearance on a list of Reserved Names.

Top Level Domain means the final characters after the dot in a domain name; in the case of “nic.zara”, this is “.zara”.

.ZARA means the .ZARA Top Level Domain.

.ZARA TLD Registration Policy means the .ZARA Domain Name Registration Policy which sets out the eligibility criteria for domain names in the .ZARA Top Level Domain.

.ZARA TLD T&Cs means the .ZARA Domain TLD Terms and Conditions which sets out the terms and conditions governing the registration and use of domain names in the .ZARA Top Level Domain.

You or your means an individual or entity seeking to initiate registration of a .ZARA domain name; or if such registration is allowed, the domain name registrant.

Terms used in the singular or plural are merely for convenience, and shall apply mutatis mutandis, as the context may require.

All communications and information under this .ZARA TLD Registration Policy shall be in English.

Registration Eligibility

Eligibility to register or use a .ZARA domain name (including controlling associated DNS records) is limited to Inditex, and upon Inditex's sole discretion its Affiliates, or Trademark Licensees.

Inditex reserves the right, for any reason, to periodically verify .ZARA domain name registration eligibility. Any determination as to such eligibility shall be made by Inditex in its sole discretion, and is not subject to any further appeal mechanism or reconsideration process. Inditex reserves the right, in its sole discretion, to suspend, cancel, revoke, or take other action it deems necessary with respect to a .ZARA domain name registrant in the event it determines that their registration violates the registration eligibility criteria described in the .ZARA TLD Registration Policy. Questions about any determination as to .ZARA domain name registration eligibility should be directed to the .ZARA Domain Management Team or the Registrar.

To assist in ensuring compliance with the .ZARA Domain Policy, "privacy" or "proxy" registrations may not be permitted in the .ZARA Top Level Domain.

Domain Name Registration Rules

Domain name registrations in the .ZARA Top Level Domain follow a four-step process managed by Inditex or the Registrar: (i) Eligibility Confirmation; (ii) Naming Convention Check; (iii) Acceptable Use Review; (iv) Registration.

.ZARA domain name registrations are available to eligible registrants for annual terms between one (1) and ten (10) years.

(i) Eligibility Confirmation

Only Inditex, and upon Inditex's sole discretion, Inditex's Affiliates, or Trademark Licensees who agree to be bound by the terms of the .ZARA TLD Registration Policy and .ZARA TLD T&Cs are eligible to register or use a .ZARA domain name. .ZARA domain names may not under any circumstances be registered or used by third parties other than Inditex, Inditex's Affiliates, or Trademark Licensees.

Prior to any .ZARA domain name registration or renewal, and at any time during the registration life cycle, domain name registrations will be verified by Inditex for compliance with the .ZARA TLD Registration Policy including as to eligibility.

(ii) Naming Convention Check

.ZARA domain names must meet the following technical conditions:

By asking us to register or renew a .ZARA domain name registration, you warrant and represent that your .ZARA domain name registration does and will at all times comply with the .ZARA TLD Registration Policy and .ZARA TLD T&Cs.

Registration or renewal of a .ZARA domain name is subject to Inditex's satisfaction that the Acceptable Use standards set out in .ZARA TLD T&Cs are met prior to, and at all times during a .ZARA domain name registration.

(iv) Registration

Provided that the .ZARA eligibility confirmation, naming convention check, and acceptable use review are satisfied, Inditex will provide a secure instruction per its internal domain management process to the Registrar to proceed with the registration or renewal of your .ZARA domain name.

If at any point prior to the registration expiration date you no longer wish to maintain your .ZARA domain name registration, you may submit a written request by email to [TBC] and to the Registrar requesting cancellation of your registration. Please note that if you cancel your .ZARA domain name registration, Inditex is under no obligation to make that domain name available for your future registration.

At the conclusion of the registration period for your .ZARA domain name, unless you have instructed the Registrar otherwise prior to the expiration of your .ZARA domain name registration, the Registrar will renew your .ZARA domain name registration on the basis of an agreed standing renewal order; in the event your .ZARA domain name registration is renewed, the Registrar will collect any applicable renewal fees from you.
