Dear [REDACTED]:

Please be advised that as of 6 April 2026, Xiamen Yuwang Technology Co., LTD's ("Xiamen Yuwang" or "Registrar") 2013 Registrar Accreditation Agreement with the Internet Corporation for Assigned Names and Numbers ("ICANN") dated 8 September 2021 ("RAA") is terminated pursuant to Section 5.5.4 of the RAA. The termination shall become effective 22 April 2026, 16 calendar days from the date of this notice.

The termination is due to Xiamen Yuwang's failure to timely cure the breach by 24 March 2026 as set forth in ICANN's Notice of Breach of RAA dated 3 March 2026. As of 6 April 2026, the following breach remains:

1. Xiamen Yuwang's failure to pay due accreditation fees, in violation of Section 3.9 of the RAA.

Additionally, Xiamen Yuwang has failed to:

2. Provide ICANN with a completed Registrar Information Specification form including accurate and current information, the required documentation of good standing, and a link to the location of the applicable information within Xiamen Yuwang's website where the following is displayed, as required by Section 3.17 of the RAA:
 - a. The name and positions of the Registrar's officers.
 - b. The Registrar's correspondence address.
 - c. If different from the Registrar's correspondence address in item 2b, the Registrar's principal place of business, including address, phone number, fax number and email address.
 - d. If applicable, the Registrar's ultimate parent entity.

3. Provide the remediation measures, including implementation dates, that Xiamen Yuwang will take to ensure that contractual obligations related to Section 3.9 of the RAA will continue to be timely met, as well as to ensure that it timely and fully responds to ICANN's requests related to contractual obligations.

Please see the chronology below for additional details.

ICANN Logo License

Xiamen Yuwang is further advised that the logo license granted in the Logo License Specification to the RAA is revoked as of 22 April 2026. Please remove all ICANN trademarks, name and logo from Xiamen Yuwang's website and business materials that have been licensed to Xiamen Yuwang under the terms of that Specification by 22 April 2026.

Domain Name Transition Process

ICANN developed the [De-Accredited Registrar Transition Procedure](#) ("Procedure") for managing transition of generic top-level domain (gTLD) name registrations upon termination of a registrar's RAA. Because Xiamen Yuwang does not currently sponsor any gTLD domain name registrations, the Procedure does not apply to the Registrar's RAA termination.

ICANN reserves all its rights under the RAA. Please note the rights and obligations required to have effect after the expiration of the RAA, including but not limited to Sections 3.4 Retention of Registered Name Holder and Registration Data, 3.9 Accreditation Fees, 5.8 Resolution of Disputes Under this Agreement, and 5.9 Limitations on Monetary Remedies for Violations of this Agreement.

Xiamen Yuwang has past due accreditation fees. Xiamen Yuwang must immediately submit payment to ICANN Accounting. Additionally, Xiamen Yuwang will be invoiced for the remainder of the yearly accreditation fees owed to ICANN through 07 September 2026, and any variable fees corresponding to transactions reported through the termination effective date. All these fees are required to be paid to ICANN pursuant to Section 3.9 of the RAA.

If you have questions or require assistance, please contact Jonathan Denison at [REDACTED].

Sincerely,

[SIGNATURE REDACTED]
