Re: Translation and Transliteration of Contact Information Policy Development Process

Dear Thomas,

Pursuant to Article XI, Section 2.1.j of the ICANN Bylaws, this letter is to formally notify the Government Advisory Committee (GAC) that the Generic Names Supporting Organization (GNSO) Council has approved policy recommendations on the Translation and Transliteration of Contact Information Policy Development Process (PDP). The Recommendations are currently posted for public comment (see <https://www.icann.org/public-comments/transliteration-contact-recommendations-2015-06-29-en>).

After the public comment and reply period has ended, the Board will be considering the seven recommendations for approval. In the event that the GAC believes that there are public policy issues raised by these recommendations and provides advice accordingly on those issues, ICANN will take the GAC's advice into account on this matter as set forth in the Bylaws.

Sincerely,

Stephen D. Crocker
Chair, ICANN Board of Directors
