Subject: GAC Acknowledgement of ICANN org's preparation toward implementation of a new round of gTLDs

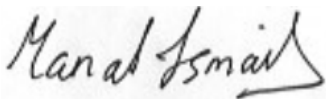

Dear Cyrus,

The following is submitted to acknowledge ICANN's Global Domains Division's follow-up in July 2019 after the session held on June 24<sup>th</sup>, 2019 at ICANN65 in Morocco, discussing planning assumptions for Subsequent Procedures of new gTLDs.

The GAC appreciates the opportunity to provide additional input on [ICANN's assumptions document](#) and is currently working on recalling previous GAC advice pertaining to specific sections in the assumptions document for ICANN's consideration.

Thank you,

Best Regards,
