To Whom It May Concern:

I am writing in response to your 6 April 2017 [letter](#) to Göran Marby.

Thank you for your comments and interest in transparency efforts at ICANN, and in particular, the Documentary Information Disclosure Policy (DIDP). I note that your letter was also submitted in the [public comment](#) forum on Recommendations to Improve ICANN's Transparency.

As part of the public comment process, all comments will be considered and summarized in a Staff Report due on 15 May 2017. When complete, the Staff Report will be included in the Reports section (Section V) of the [public comment](#).

Again, thank you for your interest in transparency efforts at ICANN.

Sincerely,

Theresa Swinehart
