Dear Mr. Renato Sabbadini:

Thank you for your letter of 16 August 2016, regarding dotgay llc's new gTLD application for .GAY. We appreciate the ILGA's comments, and the letter has been published to the ICANN correspondence page (<https://www.icann.org/en/system/files/correspondence/sabbadini-to-icann-board-08aug16-en.pdf>).

We take note of your comment that ICANN should prioritize community-based applications such as dotgay LLC's application for .GAY. We take this matter very seriously, and we want to ensure that we take the appropriate time required to execute the process carefully. We appreciate the community's ongoing patience with this process.

Thank you for your participation in ICANN's multistakeholder process, and for your support of the New gTLD Program. If you have any questions, please contact ICANN's Global Support Center at globalsupport@icann.org.

Sincerely,

Christine A. Willett
Vice President, gTLD Operations
